The acknowledgement will provide the client with the contact name who is responsible for dealing with the complaint. The official complaint must be made by email (you may also write, although this will slow down the process), and confirm that the client wishes to enter this process. Please email your complaint to complaints@visafirst.com.

Visa First will investigate the complaint as swiftly as possible and where applicable, the complainant will receive a regular written update on the progress of the investigation at intervals of not more than 20 business days.

Visa First will try to resolve the complaint within 40 business days of having received the complaint. If the complaint cannot be resolved within 40 business days, the Firm will write to the complainant notifying them of the anticipated timeframe for the conclusion of the investigation.

Within 5 business days of the conclusion of the investigation of the complaint, Visa First will issue a resolution letter detailing the outcome of the investigation. This letter will include, if applicable, an explanation of the terms of any offer that the company is prepared to make in settlement of the complaint.
